Child Monitor/ Operations Officer

- Evacuate all children from the immediate danger area to a safe location at either Gate 1 or Front Entrance (depending on the site of the danger)
- Area Coordinator/Assistants are to check all areas including toilets, storerooms, kitchen etc. Ensure all children are accounted for (head count), close doors after check.
- **Retrieve Sign in Ipad, staff sign in book, children's medications, evacuation bag, first aid bag - only if safe to do so.**

IF EXITING THE PRE-SCHOOL

- Dependant on the emergency:
 1. Move children through the Emergency Exit at Assembly Point 1 via the outdoor yard onto Hope Street. Proceed to Assembly area 1 (Golf Course via gate on hope street)
 2. Move children through the front entrance of the service to Emergency Assembly Point 2 located in the car park.
 3. Move children through the front or rear exits of the service directly to Assembly Point 3 at Spotswood football oval.
- All children are to assemble outside the building and move to the assembly area either holding hands or with hands on the shoulders of the person in front of them.
- Contact the appropriate emergency services again and inform them of your current location and status.
- Incident controller or Child Monitor/Operations Officer, will contact the President and Vice President and then families will be contacted – Emergency lists contained in First aid and evacuation kits
- Children are to remain at the Assembly Area until clearance for a return to the building has been given or until the parents arrive to collect their children.
- Focus on the safety and well-being of staff ,children and volunteers.
- Wait for emergency services to arrive for further information.

IF IN A LOCKDOWN SITUATION

Dependant on the emergency, when an external and immediate danger is identified and it is determined that the children should be secured inside the building for their own safety the Chief Incident Controller on-site will take charge and activate the Incident Management Team if necessary.

1. Whoever finds or is made aware of the emergency situation sounds the alarm and notifies the nominated supervisor at the service.
2. **Call 000** for emergency service and seek and follow advise.
3. Initiate the lock-down procedure, all children and staff to proceed to lock down in Room 1.
4. Each room to implement the EMK incident management plan structure where all roles and responsibilities are initiated included, gathering children, head counts, locking entry doors to rooms, collecting iPads, emergency bag and medications and proceeding to Room 1 where windows/blinds are closed, doors secured and children remaining in classroom below window level until emergency has concluded.
5. Office Administration Staff to lock airlock, collect emergency bag, mobile phone and proceed to room 1.
6. Check that all external doors (and windows if appropriate) are locked and blinds closed.
7. If available, allocate staff to be posted at locked doors to allow children, staff and visitors to enter if locked out.
8. Divert parents and returning groups from the facility if required.
9. Ensure a telephone line is kept free.
10. Keep main entrance as the only entry point. It must be constantly monitored and no unauthorised people allowed access.
11. As appropriate, ascertain that all children, staff and visitors are accounted for.
12. If it is safe to do so, have a staff member wait at the main entry to the facility to guide emergency services personnel.
13. As appropriate, confirm with emergency services personnel that it is safe to return to normal operations.
14. Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
15. Maintain a record of actions/decisions undertaken and times.
16. Contact parents as required.

Actions after lock-down procedure

- Ensure any children, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Undertake operational debrief with staff and Incident Management Team to identify any lock-down and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 2)
- Report any serious incidents to the relevant DET QARD officer in your region:
- Services operating under the NQF, refer to the fact sheet Serious incidents and complaints available at:

www.education.vic.gov.au/childhood/providers/regulation/Pages/nqffactsheets.aspx

LOCKDOWN ASSEMBLY AREA

AREA MAP AND SITE PLANS

IF IN A LOCK OUT A PLACE SITUATION

Dependant on the emergency, when an internal immediate danger is identified and it is determined that children should be excluded from the building for their safety the Chief Incident Controller on-site will take charge and activate the incident management team if necessary.

1. **Call 000** for emergency service and seek and follow advise.
2. Announce lock-out with instructions about what is required. Staff to initiate EMK incident management structure for a Lock-Out. This may include:
 - Lock doors to prevent entry
 - Check the premises for anyone left inside
 - Obtain Emergency Kit
 - Take Emergency wall hanger with children's medications
 - Determine which of your facility's pre-identified on-site evacuation point/s is most appropriate to use.
 - Assemble children, staff and visitors at your nominated on-site.
 - Check that children, staff and visitors are all accounted for.
 - Where appropriate, confirm with emergency services personnel that it is safe to return to normal operations.
 - Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.

- Maintain a record of actions/decisions undertaken and times.
- Contact parents as required. Actions after lock-out procedures
- Ensure any children, staff or visitors with medical or other needs are supported.
- Determine if there is any specific information staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Undertake operational debrief with staff and Incident Management Team to identify any lock-out and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 2)
- Report any serious incidents to the relevant DET QARD officer in your region:
- Services operating under the NQF, refer to the fact sheet Serious incidents and complaints available at:
www.education.vic.gov.au/childhood/providers/regulation/Pages/nqffactsheets.aspx

IF IN A SHELTER IN A PLACE SITUATION

Dependant on the emergency, when an incident occurs outside the early childhood service and emergency services or the Chief Incident Controller determines the safest course of action is to keep children and staff inside a designated building in the facility (as evacuation might reasonably expose people to a greater level of danger until the external event is handled), the Chief Incident Controller on-site will take charge and activate the Incident Management Team and EMK Incident Management Structure if necessary.

- **000** for emergency service and seek and follow advise.
- Chief Incident Control Officer activates Incident Management Structure response.
- Move all children, staff and visitors to your pre-determined shelter-in-place location.
- Take your emergency kit/first aid kit and Emergency Backpack (including your children and staff attendance lists and a copy of this EMP).
- Check that all children, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained. Wait for emergency services to arrive or provide further information.
- Where appropriate, confirm with emergency services personnel that it is safe to return. Maintain a record of actions/decisions undertaken and times.
- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
- Contact parents as required.

Actions after shelter-in-place procedure

- Ensure any children, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Undertake operational debrief with staff and Incident Management Team to identify any shelter-in-place and procedural changes that may be required.
- Complete your Post Emergency Record form.
- Report any serious incidents to the relevant DET QARD officer in your region:
- Services operating under the NQF, refer to the fact sheet Serious incidents and complaints available at:
www.education.vic.gov.au/childhood/providers/regulation/Pages/nqffactsheets.aspx

APPENDIX A: RISK ASSESSMENT

The objective of Risk Assessment is to separate lower priority risks from the major high priority risks. For each risk identified determine the local context and analyse the risk in terms of impact and likelihood, considering the range of potential impacts and how likely they are to occur.

Likelihood	Very High				
	High				
	Moderate		Intruders Criminal incidents Incidents	Internal fires and smoke Pandemics and communicable diseases Hazardous substance release: Inside and Outside Facility Grounds	
	Low		Earthquake Bomb Threat School bus accident Vehicle accident	Bushfires Severe storms and flooding	
		Low	Moderate	High	Very High
Impact					

Priority Risks Schedule

The estimated levels of risk are then prioritised into a list of the risks requiring further action.

Priority	Hazard specific risks
Very High	<i>No risks identified</i>
High	<i>No risks identified</i>
Moderate	Intruders Criminal Incidents Internal fires and smoke Pandemics and communicable diseases Hazardous substance release: inside and outside facility grounds
Low	<i>Bushfires</i> <i>Severe storms and flooding</i> <i>Earthquake</i> <i>Bomb threat</i> <i>School bus accident/vehicle incident</i>

APPENDIX G: IN CASE OF FIRE / SMOKE

Signs of a fire may include; observation of smoke or flames; smelling smoke or burning material; feeling unusual heat on a wall, door or other surface.

IN CASE OF FIRE CALL 000

In the event of fire or smoke:

Remove persons from immediate danger.

Alert nearby personnel and the Incident Controller, call 000.

Confine fire and smoke. Close windows and doors (if safe). Keep low, under the smoke.

Extinguish or control fire – (if safe to do so).

Fire Extinguisher Operation: Fire Extinguisher operation is voluntary, only being used when it is safe to do so. Where practicable, there should be two people in attendance when an extinguisher is being operated. Always ensure you have a safe line of retreat. **DO NOT** let the fire get between you and the doorway.

- Select the appropriate extinguisher.
- Pull the pin on extinguisher.
- Test the extinguisher.
- Stand well back at a safe distance.
- Keep the exit door to your back.
- Ensure correct grip of the 'nozzle'.
- Direct the extinguisher stream at the base of the fire, not at the smoke.
- Squeeze the trigger, sweep the fire.
- Distance yourself IMMEDIATELY the situation becomes unsafe.

APPENDIX H: LOCKDOWN CHECKLIST

Actions during lockdown – Centre Director or 2nd In Charge (Incident Controller)

Actions during lockdown	✓
Liaise with staff, other agencies and the Regional Office in considering a lockdown.	
Activate lockdown using the predetermined activation signal.	
Advise Victoria Police and other appropriate emergency service agencies.	
Activate the Incident Management Team (to plan further actions and enact the response plan).	
Allocate responsibilities.

Ascertain (as possible) if all children, staff and visitors are accounted for.	
Record some details of actions undertaken and times (use the Post-Emergency Record from Appendix).	
Await de-activation advice from Emergency Services personnel (if appropriate).	

ACTIONS AFTER LOCKDOWN - COORDINATOR OR INCIDENT CONTROLLER.

Actions to de-activate and immediately following lockdown	✓
Confirm with Emergency Service personnel that it is safe to de-activate lockdown.	
Determine whether to activate the parent re-unification process.	
Determine if there is any specific information staff, children and visitors need to know (e.g. areas of the facility to avoid or parent reunification process).	
De-activate lockdown using predetermined de-activation signal.	
Advise staff, children and visitors of any specific information they need to know.	
Ensure any children, staff or visitors with medical or other needs are supported.	
Print and issue pre-prepared parent letters and give them to the children to take home.	
Seek support from the Regional EM Coordinator as required.	
Brief staff on the incident.	
Prepare and maintain records and documentation.	
Follow up with any children, staff or visitors who need support.	
Undertake operational debrief to review the lockdown and procedural changes that may be required.	
Actions (follow-up)	✓
